

...Inspiring a Sustainable Future

A globally competitive energy company improving lives sustainably.

YOUR FUTURE BEGINS HERE!

NLNG seeks to engage suitably qualified candidates as **Graduate Trainees**.

NLNG was incorporated as a limited liability company on May 17, 1989, to harness Nigeria's vast natural gas resources and produce Liquefied Natural Gas (LNG) and Natural Gas Liquids (NGLs) for the domestic and export markets. We provide exciting career opportunities and an innovative work environment.

We are an Equal Opportunity Employer and all employment decisions at NLNG are based on business needs, job requirements and individual qualifications after competitive assessment.

Reasonable adjustments will be provided during this recruitment.

A 'reasonable adjustment' is a change that must be made to remove or reduce a disadvantage related to a job applicant's **disability** when applying for a job.

Shortlisted candidates who require reasonable adjustments at different stages will have the opportunity to request for relevant consideration.

Job/Application Requirements:

- A University bachelor's degree obtained at Second Class Upper Division (2:1) and above in the following disciplines:
 - Engineering (Mechanical, Metallurgical, Mechatronics, Electrical, Electrical/Electronics, Instrumentation, Chemical, Civil, Structural, Petrochemical, Process, Computer, Petroleum, Marine)
 - Sciences
 - Social & Management Sciences
 - Law
 - Project Management
 - Information Management
